3. QUESTION: [REDACTED] would like a copy of the directive establishing this Committee, outlining its functions and responsibilities.

ANSWER: This is an informal committee and no directive establishing it was ever prepared. The Chief, Map Library, CIA, and the Chief, Map Division, Library of Congress, established the committee in February 1947. During 1947 all remaining mapping organizations in the government joined the committee. The Committee seeks to coordinate governmental map procurement, develop a planned procurement program, utilizing Geographic Attachés and Foreign Service Posts, and effect related improvements in methods and operations.
